**Subject: Inneswood Frontage Site Work (SW17-00006) at 905 Newport Way NW
Permit Application No. BLD17-00259 – Electronic Review**

We have received documents to review the proposed project for conformance with the following codes, as adopted and amended by the State of Washington and the City of Issaquah:

2015 International Building Code (IBC)
Issaquah Municipal Code

The structural review of the soil nail wall and ultra block walls were reviewed by our subconsultant, Reid Middleton. Their comment letter is attached. We understand that a separate permit will be pulled for the boardwalk.

Please note that applications may be canceled for inactivity if an applicant fails to respond to the department's written requirements for revisions, corrections, and/or additional information within 90 days of the date of request in accordance with IMC 16.04.010 Section 105.3.3. If you have any questions or require additional clarification on any of the items contained in this letter, please contact me directly at 425-255-3099.

Sincerely,
KOLKE CONSULTING GROUP, INC.
